

The Next Regional Plan

CMAP

Building on GO TO 2040

**This new plan will use
GO TO 2040
as its foundation for
both priorities and vision**

Building on GO TO 2040

Livable Communities Land Use & Housing Water & Energy Parks & Open Space Local Food

Building on GO TO 2040

Human Capital Workforce Innovation

Building on GO TO 2040

Efficient Governance Tax Policy Information Access Coordinated Investments

Building on GO TO 2040

Regional Mobility Strategic Investments Transit Freight

**This new plan will also
provide actionable guidance
for partners at all levels**

**This new plan should
set us up for implementation
and keep the agency focused**

**This new plan will
acknowledge the reality
of where the region is today**

Don't hide from realities
Present the challenges
Offer real solutions

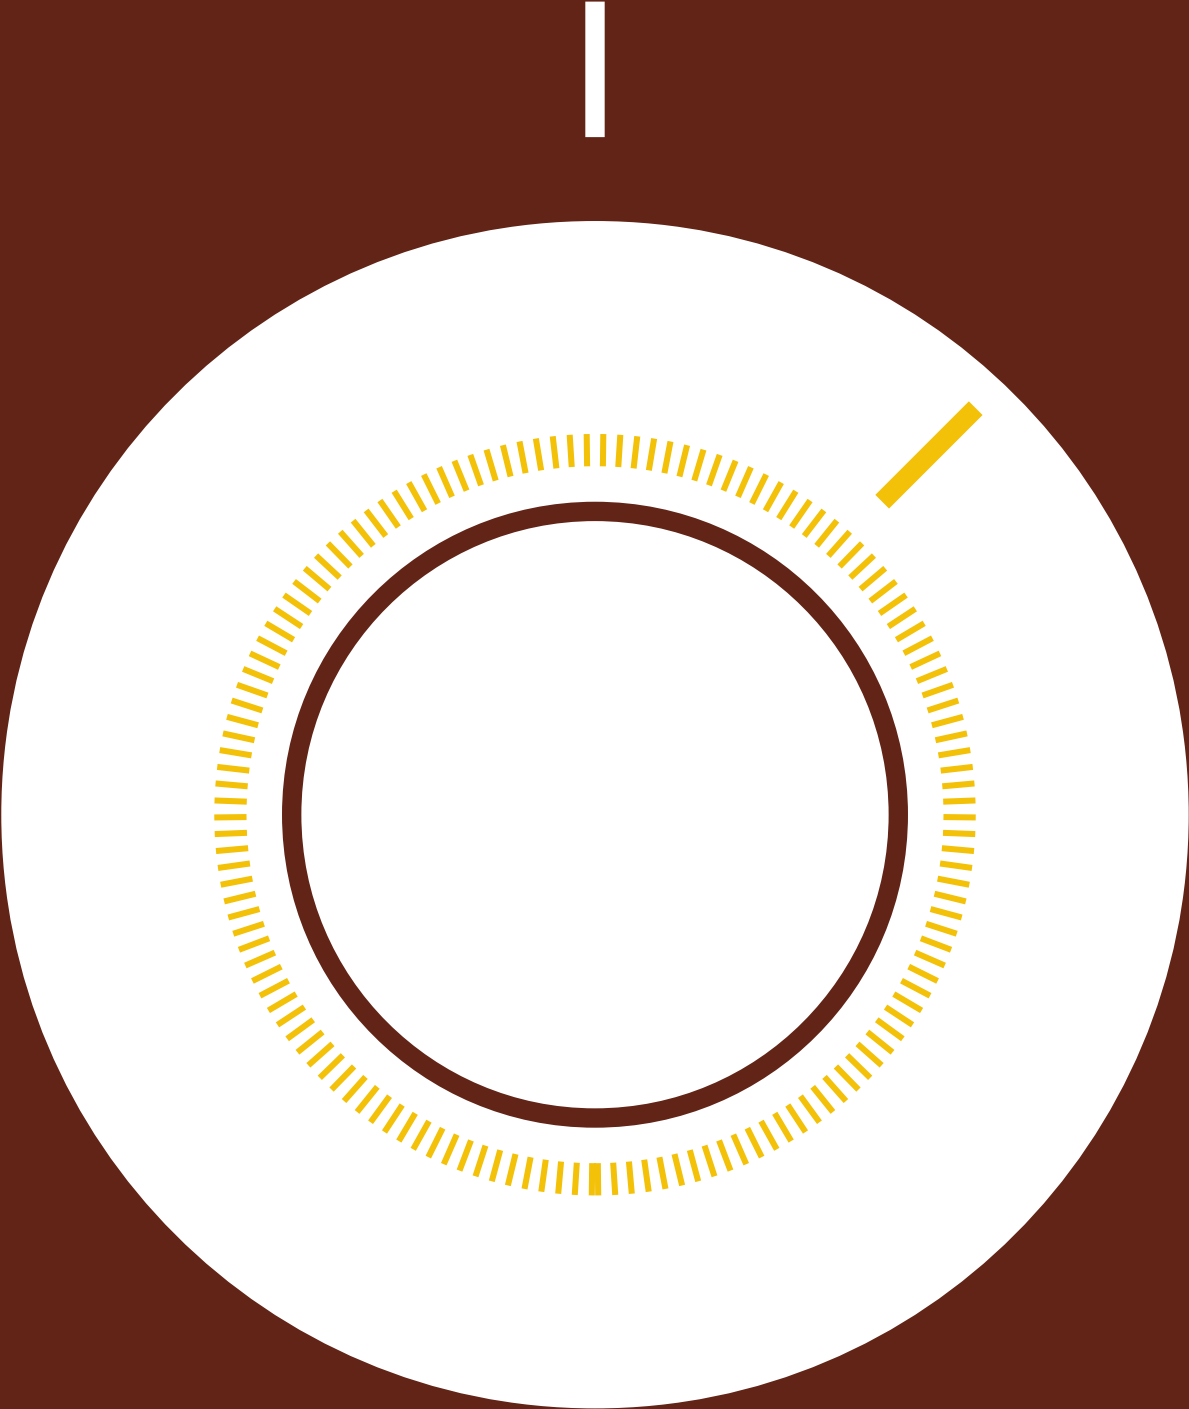

The plan will be implementable
inclusive
pragmatic
focused
inspiring

The plan will not be boring
weak
stagnant
divisive
safe

**We need to focus
on areas where we can
successfully turn the dial**

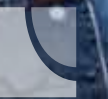

**We should be provocative
when we need to be**

Broad Priorities

**This new plan will
advance the benefits
of one thriving region**

This new plan will
emphasize reinvestment

**This new plan will
emphasize funding —
in both costs and availability**

**This new plan will
promote making our region
more livable and resilient**

**This new plan will
promote inclusive
economic growth**

**This new plan will
provide clear, focused
recommendations**

**This new plan will
establish measurable
objectives**

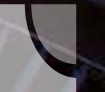

This new plan will
advance the benefits of one thriving region
emphasize reinvestment
emphasize funding — in both costs and availability
promote making our region more livable and resilient
promote inclusive economic growth
provide clear, focused recommendations
establish measurable objectives

Topics

Authority to implement
Realistic objectives
Importance to constituencies
Credibility
Feasibility

Audiences + Partners

**All partners are audiences,
but not all audiences are partners**

**As an agency, we will all
use the plan process to define
and refine audiences to**

inform

engage

persuade

Partners should be central to both developing and implementing the plan

Transportation Implementers

Municipalities/Counties

Civic Organizations

Others

**Engaging our partners starts now
and continues throughout
the development of the plan**

This is your plan
